Australian and Imported Hardwood
Sustainably Sourced Certified Timber

BUILD BETTER WITH ATS

Decking Solutions

ATS Building Products stock premium quality decking solutions, with an extensive range of Australian and imported timber decking, treated pine decking, composite decking, fibre cement decking, decking hardware supplies and treatment solutions.

We can source any type of decking you may require due to solid relationships we have with suppliers and mills in Australia and overseas.

Our range includes some of the most popular Australian and Imported hardwood species used for decking.

Most timber decking species are available in a range of sizes; 90x19, 140x19 & 140x22. We also have bearers and joists in H2 LVL, hardwood, H3 and H4 treated pine.

Australian Timber

Blackbutt	Karri
Brushbox	Mixed Hardwood
Blue Gum	Red Ironbark
Grey Box	Spotted Gum NSW
Ironbark Grey	Spotted Gum QLD
Grey Gum	Silver Ash
Ironbark	Darwin Stringybark
Jarra	Tallowood
Pine	Turpentine

Imported Timber
